TAKING THE APPLICATION**

100

100% COMPLETE PAPER WORK

SHORTENED CYCLE TIME

RAVE REVIEWS

"I have used the Application Partner process exclusively for the past 5 years. It has significantly streamlined the application process for LTC and made a large difference in my placement rate.

From the pre-screening process to the quick electronic signature turnaround, my administrative time has been greatly reduced from a relatively cumbersome and paper intensive ordeal to a simple repeatable process. I would strongly recommend Application Partner to anyone who does any LTC business." - Financial Planner, OH.
